I wanted to take this opportunity to thank all of our consigners, buyers and those who have helped make this sale a success. This is the start of our NETLA events for 2019 and it looks like it will be an exciting year.

On Friday night, we welcome everyone to our social and preview party. Dinner will be at 6 PM at the sale barn. A number of the consigners along with other longhorn breeders will be there to answer questions on animals and gain knowledge of the features and benefits of the breed. We will also have information on all the events that NETLA will have throughout the year which includes shows, futurity, and other socials.

The sale has a new starting time in order to allow those traveling longer distances to get home earlier. START TIME 10 AM Saturday, June 1. This year's sale offers great animals that can help all of us improve our herds.

If you need any information on NETLA you can also look us up on our website at www.netlalonghorns.net or netlalonghorns on facebook as well.

Hope to see everyone at the sale.

Thank You
Jodi King
President, NETLA
